How to...

Campfire Fun

Instructions

- Light a fire per video instructions - you can split your young people into smaller groups
- Ensure you adhere to all safety measures and precautions
- Once your fires are ready, its time for ...
- Campfire chants
- Campfire treats (e.g. smores, banana boats, chocolate oranges, hot chocolate)
- Backwoods cooking (e.g. cinnamon twists, popcorn on a fire, apple crumble)

Islamic Principle

Reflection or Story Time!

- Start the campfire with Surah Fatiha and an opening dua
- Do a round circle of how everyone's day went, and something they were grateful for that week
- Or pick a story to tell, whether it's about a Prophet or someone from Islamic history, such as an inventor during the golden age. Motivate the YP to learn about their character and strengths!
